ATTENTION: [redacted] 25X1A9a

THROUGH: Chief, Industrial Division, ORR
THROUGH: Chief, Manufacturing Sectors Branch, D/I

FROM: [redacted] I/MS 25X1A9a

SUBJECT: Request for intelligence information.

1. It is requested that information in the Central Estimates file be compiled to illustrate Chinese Communist recovery in machinery manufacturing between 1949 and 1952. If comparisons with so-called "pre-liberation peak" production levels are given, these would also be useful. Estimates are required in the following categories as listed in CIA/RR RA-12-R1:

Manufactured Items

D. Electrical Industry (except electronic equipment)

E. Machinery Industry

F. Transporation Equipment Industry

2. This information is desired by 4 June 1958.
